PRES 2022

Cynhaliwyd Arolwg Profiad Ymchwil Ôl-raddedig yr HEA dros yr Haf. Fel uchafbwynt slei i'r canlyniadau o'n PGRs addysgu, mae PA yn parhau i wella o ran 'cael cymorth ac arweiniad priodol ar gyfer eu haddysgu', gan gynyddu 9% ers 2019, a 3% yn uwch na ffigur y DU. Ac mae mwy o Ymchwilwyr Ôl-raddedig yn addysgu - 45% o ymatebwyr. I rai ymchwilwyr ôl-raddedig, mae addysgu yn rhan annatod o'u profiad. Wrth sôn am 'un agwedd fwyaf cadarnhaol eu rhaglen gradd ymchwil,' dywedodd un myfyriwr "Teaching and being able to take part in the TPAU course." Ac am un arall "putting confidence in my lecturing abilities and giving me a job to lecture."

PRES 2022

The HEA Postgraduate Research Experience Survey ran over the Summer. As a sneaky peak into the results from our teaching PGRs, AU continues to improve on 'being given appropriate support and guidance for their teaching', increasing 9% on 2019, and 3% above the UK figure. And more PGRs are engaged in teaching - 45% of respondents. For some PGRs, teaching is an integral part of their experience. Commenting on 'the one most positive aspect of their research degree programme,' one student stated "Teaching and being able to take part in the TPAU course." And for another "putting confidence in my lecturing abilities and giving me a job to lecture."

Grŵp Lloeren 'Active Learning Network'

Mae strategaeth dysgu ac addysgu APEX y brifysgol yn pwysleisio dysgu gweithredol. I gefnogi staff i ddefnyddio dysgu gweithredol yn effeithiol, rydym wedi sefydlu grŵp lloeren ar gyfer y 'Active Learning Network' (ALN) yma ym Mhrifysgol Aberystwyth. Ein nod yw creu cymuned ymarfer ar gyfer staff fel y gallwch gyfnewid syniadau a chefnogi eich gilydd mewn dysgu gweithredol. Mae'r ALN yn cynnig mynediad i chi i gymuned fyd-eang o ymarferwyr ysbrydoledig, deunyddiau am ddim, a digwyddiadau ar-lein. Ein cam cyntaf fydd dod â staff sydd â diddordeb ynghyd ar gyfer cyfnewid syniadau anffurfiol. Os oes gennych ddiddordeb mewn dysgu mwy, cysylltwch â Mary Jacob

Active Learning Network Satellite Group

The university's APEX learning and teaching strategy emphasises active learning. To support staff in using active learning effectively, we have established a satellite group for the Active Learning Network (ALN) here at Aberystwyth University. Our aim is to create a community of practice for staff so that you can exchange ideas and support each other in active learning. The ALN offers you access to a global community of inspiring practitioners, free materials, and online events. Our first step will be to bring together interested staff for an informal idea exchange. If you are interested in learning more, please contact Mary Jacob.
